Company Detail

Introduction

Image Clothing was established in 1996. First established as a sole proprietor the business changed to a closed corporation in 2001.

Our directors and staff are committed to business integrity, high ethical values and professionalism in all activities.

We have a strict adherence to quality policies, excellent customer service, professionalism and a strong will to succeed - there is no job we cannot handle. We have built strong, lasting relationships with our clients and they have become part of the Image Family.

Transformation

Image Clothing is committed to channelling time, effort, resources and funds into a range of empowerment initiatives. The company recognises that its competitiveness and success depends upon the shape of the economy in which it operates. It also recognises that these endeavours will assist in attracting and retaining quality employees.

Approximately 60% of the procurement is from BEE Companies.

We are proud to confirm that we are BEE compliant with a Level 2 compliance Certificate. –
(Attached is our BEE Certificate for your perusal.)

Referrals

Image Clothing has 15 years of experience in the promotional clothing industry and has dealt with some of the leading corporations over the years. Many of our clients have been with us for many years. This is due to our strict quality control and service excellence.

The logo features a stylized smiley face with vertical lines for teeth, rendered in a light blue color.
